Philips AmbientLED
Energy saving outdoor
flood light

17W
PAR38
Soft White; Dimmable

046677418434

A simple way to beautify your home

Saves up to 80% in energy costs

Philips AmbientLED light bulbs are the smart alternative to standard incandescent bulbs. They deliver exceptionally long life, significant energy savings, beautiful light, rugged construction and contain no mercury.

Energy efficient
- Save up to $200.75 in energy costs over the life of the bulb
- Replaces a 90W PAR38 Halogen flood light

Long lifespan
- Lasts at least 22.8 years

Perfect Shape
- Fits easily into existing fixtures
- Ideal for outdoor security and flood light fixtures

Sustainable choice
- Reduce greenhouse gases and shrink your carbon footprint
- Contains no mercury

* 22.8 years means rated average life based on engineering testing and probability analysis where the lamp is used on average 3 hours/day, 7 days a week.
* At $.11 per kWh, this 17W, 4000 Candela(candlepower) LED PAR38 uses $46.75 of electricity over its 25,000 hour life. This is a $200.75 savings when compared to the $247.50 required to run a 90W, 3697 Candela halogen PAR38 over the same period. Actual savings will vary depending on cost per kWh.
